

PPSL WEB Site Information

October 26, 2012

The PPSL WEB site has undergone a redesign starting in September 2008. We are updating all PPSL Rules as soon as possible. We are also adhering to a consistency to where specific files are to be stored on the WEB site. If your Church/School WEB sites include Parish Athletics and are posting PPSL Rules, and would like to 'link' to the PPSL WEB site files, below are the Hyperlink Addresses of each file:
